Stonebridge Hotel Featured Employee of the Month

Name: Clayton
Position: Guest Services

Clayton has been with us since Sept 2010. He was hired as Maintenance/Security and has evolved into so much more. Clayton is our "go to guy"! He is very respectful of others and it shows every day in his interaction with guests and co workers.

He has a true understanding of the Hotel Industry and is an absolute pleasure to work with. It is because of his personality that we find ourselves confident in the notion that all is well when he is on shift. Clayton does not profess that he knows all about the "Handy Man's" ways of doing things but we are all certain that he will make the right decision when addressing any and all issues that arise.

We have spent some time with Clayton during social occasions and have learned that although he will not be leaving to pursue a singing career any time soon he is most certainly the most fun at "get togethers" with co workers! He is a great sport and enjoys spending time with friends and meeting new people.

Clayton is a hard worker, dependable, professional... a true gentleman and wherever his path leads him he will, without a doubt, be successful!

We hope to enjoy working with Clayton for a long time to come!

Cheers Clayton
