## Stonebridge Hotel Featured Employee of the Month

**Name: Betsy Randell**  
**Position: Housekeeping Manager**

Betsy is ALWAYS up for some FUN!! She starting working at the Stonebridge 4 years ago and has not looked back since. Betsy's no nonsense work ethic is infectious. She works hard EVERY day and leads by example.

Betsy is a true leader and awesome person. "Salt of the Earth" which is ironic because Betsy is a Proud Newfoundlander who loves Fort McMurray and what it has offered her family. She treats people with the respect they deserve....each and every one! In her time as Housekeeping Manager she has seen many people move through her department. So very touching to hear what her current staff has to say...

***E1---She is amazing to work with, when I am around her I feel the presence of my Mum that is so far from me. I love my new job and she is the reason why.***

***E2---Because she treats the people the same, give us advice and she is the best person ever... I wish I could be like her.***

...This is classic Betsy! She is most certainly one of the key people that make the Stonebridge Hotel not only run smoothly but defines what we strive for.... A fantastic work environment that inspires employees and at the end of each day serves the guest well.

She is not a person who likes to be singled out and will hunt down the person who wrote this recognition .... So I am cleaning the prints off and deleting the file from my computer because she has been known to "getcha back"... all fun and games but I am a little afraid☺. We all love ya Betsy and continue to look forward to working with you here at the Stonebridge Hotel.
